Restaurant Reservations.
Right this way.

OpenTable User Agreement

User Agreement:

This USER Agreement (the "Agreement") and the policies referred to herein contain the complete terms and conditions that apply to your use of the restaurant reservation services (the "Services") being offered at the URL: <http://www.opentable.com> and all affiliated web sites owned and operated solely by OpenTable (collectively, the "OpenTable Site"). As used in this Agreement, "OpenTable" refers to OpenTable, Inc. and any of its subsidiaries, and "USER" or "you" refers to you. USE OF THE SERVICES AND THE OPENTABLE SITE CONSTITUTES KNOWING ACCEPTANCE AND ACKNOWLEDGEMENT OF THIS USER AGREEMENT, OPENTABLE'S PRIVACY POLICY, AND OPENTABLE'S DINING REWARDS TERMS AND CONDITIONS.

OpenTable may modify this Agreement's terms and conditions at any time without notice. Continued use of the Services and the OpenTable Site after a change in this Agreement, a change in the Privacy Policy, or after implementation of any other new policy constitutes acceptance of such change or policy. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT OR ANY REVISED VERSION OF THIS AGREEMENT, PLEASE DO NOT USE THIS SITE.

1. WHAT WE DO

OpenTable provides the Services to USER for the purpose of assisting USER in securing dining reservations at participating third party restaurants (each a "Restaurant"). In response to a USER's online request, the OpenTable Site directly contacts the Restaurant's computerized database of reservations. The availability of reservations is determined at the time of USER's query. Once a reservation is made by USER, OpenTable will provide confirmation of the reservation to USER by email. By using the Services, USER agrees to receive reservation confirmations by email after booking a reservation through the OpenTable Site.

2. NO SHOW POLICY

OpenTable is committed to providing superior quality services to its USERS and Restaurants. To assist us in maintaining a consistently high level of service with the participating Restaurants and patrons, USERS are asked to cancel any reservations that they will be unable to honor at least 30 minutes in advance on the day of the reservation. You may cancel your reservation online or call the restaurant directly. In the case of larger party reservations, where the restaurant has requested a credit card, you may be required to cancel your reservation in accordance with that restaurant's individual cancelation policy, which will always

be shared with the USER at the time the reservation is made.

If you are unable to keep your reservation and you fail to cancel, OpenTable will send you an email letting you know that our records indicate that you were a no-show. By using the Services, USER agrees to receive no-show confirmations by email after a Restaurant and/or the OpenTable Site reports your reservation was not honored, whether or not that was in fact the case. Your OpenTable account will be terminated if you no-show for four reservations within the same twelve-month period. If you receive a no-show confirmation email in error, please [click here](#) for information on how to dispute it. USER agrees that all final no-show determination will be made by OpenTable in its sole discretion.

3. PRIVACY POLICY

OpenTable is committed to safeguarding your privacy online. Please review our privacy policy.

4. USAGE GUIDELINES

The Services are being offered to USER for USER's personal use. USER agrees to use the Services only to book reservations at participating Restaurants and then honor those reservations by arriving at the Restaurant(s) on time and ordering and paying for a meal. USER further agrees not to book more than one (1) reservation for USER's personal use during any one meal time (e.g., lunch, dinner, etc.). USER may be able to book multiple reservations through OpenTable's Administrative Assistant and/or Concierge programs. Resale or attempted resale of reservations is prohibited, and is grounds for, among other things, cancellation. OpenTable expressly reserves all its rights and remedies under applicable state and federal law.

Any and all other uses which are unlawful or in violation of this Agreement's terms and conditions are prohibited. OpenTable reserves the right, in its sole discretion, to refuse service, terminate accounts, remove or edit content, or cancel reservations.

5. OPENTABLE DINING REWARDS

USER may be able to participate in OpenTable's USER benefits program, OPENTABLE DINING REWARDS. Participation is subject to OpenTable Dining Rewards Terms and Conditions.

6. EMAIL POLICY

You may receive periodic emails from OpenTable if you opted to receive such email at the time of registration with the OpenTable Site. If you would rather not receive email from OpenTable, please send an email to unsubscribe@insider.opentable.com and you will be unsubscribed from receiving further mailings. USER acknowledges and agrees, however, that USER will still receive reservation confirmation emails, no-show confirmation emails, reservation change confirmation emails, reservation cancelation confirmation emails and other emails relating to reservations booked by USER through the OpenTable Site, even if USER has opted not to receive periodic email from OpenTable. While you cannot unsubscribe from all service messages, you may select not to receive future diner-feedback invitation emails by following the "unsubscribe" instructions provided. You will never receive email from any third

party affiliated with OpenTable, such as a Restaurant, unless you have affirmatively opted to receive such email. In accordance with our Privacy Policy, we do not share any of your individual information without your prior consent.

7. INTELLECTUAL PROPERTY AND GRANT OF RIGHTS TO USER

The materials and services provided for and depicted on the OpenTable Site are protected by copyright, trademark, patent and other intellectual property laws. All text, graphics, video, data or other content on the OpenTable Site ("OpenTable Content") is provided to USER by OpenTable for the sole purpose of using the Services. USER shall not copy, display, modify, create derivative works of, publish, or sell the OpenTable Content or any information, software, or services provided by OpenTable hereunder. The OpenTable Content may be modified from time to time by OpenTable in its sole discretion. Except as expressly set forth herein, no license is granted to USER for any other purpose, and any other use of the Services or the OpenTable Content by USER shall constitute a material breach of this Agreement. Nothing in this Agreement shall affect any rights of OpenTable or its licensors in the Services or OpenTable Content, and any associated patents, trademarks, copyrights, mask work rights, trade secrets or other intellectual property rights. No license, right or interest in any trademarks of OpenTable or any third party is granted under this Agreement. Nothing in this Agreement shall affect any rights of OpenTable or its licensors in the Services or OpenTable Content, and any associated patents, trademarks, copyrights, mask work rights, trade secrets or other intellectual property rights. No license, right or interest in any trademarks of OpenTable or any third party is granted under this Agreement.

8. REVIEWS, COMMENTS, COMMUNICATIONS, AND OTHER CONTENT

At OpenTable's invitation, USER may submit reviews, comments, and ratings, send e-mails and other communications; and submit suggestions, ideas, comments, questions, or other information for publication and distribution to restaurants and other third parties, so long as the content is not illegal, threatening, obscene, racist, defamatory, libelous, pornographic, infringing of intellectual property rights, promoting of illegal activity or harm to groups and/or individuals, invasive of privacy, purposely false or otherwise injurious to third parties or objectionable and does not consist of or contain software, computer viruses, commercial solicitation, political campaigning, chain letters, mass mailings, any form of "spam" or references to illegal activity, malpractice, purposeful overcharging, false advertising or health code violations (e.g., foreign objects in food, food poisoning, etc.). You may not use a false e-mail address, impersonate any person or entity, or otherwise mislead as to the origin of content. OpenTable reserves the right (but not the obligation) to remove or edit such content, but may not regularly review submitted content.

If you do submit material, and unless we indicate otherwise, you grant OpenTable a nonexclusive, perpetual, royalty-free, irrevocable, and fully sublicensable right to use, modify, reproduce, adapt, translate, publish, create derivative works from, distribute, and display such content throughout the world in any media. You represent and warrant that you own or otherwise control all of the rights to the content that you submit; that the content is accurate; that use of the content you supply does not violate this policy and will not cause injury to any

person or entity; and that you will indemnify OpenTable for all claims resulting from content you supply. OpenTable has the right but not the obligation to monitor and edit or remove any activity or content, including but not limited to content that violates the standards of this website, as determined by OpenTable in its sole discretion. OpenTable takes no responsibility and assumes no liability for any content submitted by you or any third party.
